Dive into *Daring on the Daily*

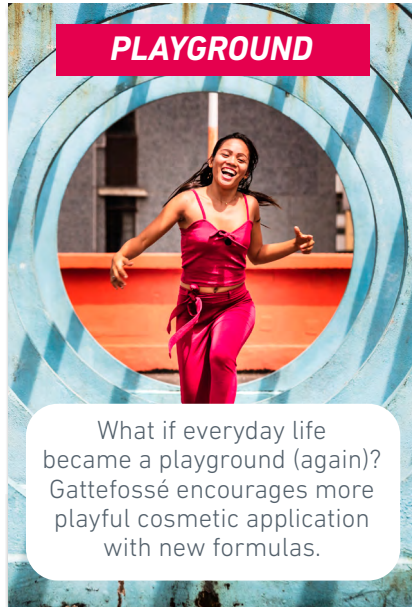

This 2023 edition is organized around 3 key trends – I.D. Manifesto, Playground, Experience the Unexpected – each aiming to celebrate a new expression of beauty encouraging disruptive and playful cosmetics. They can be used as an ideal medium for consumers to express their individuality while having fun and exploring different aspects of their personalities.

I.D. MANIFESTO

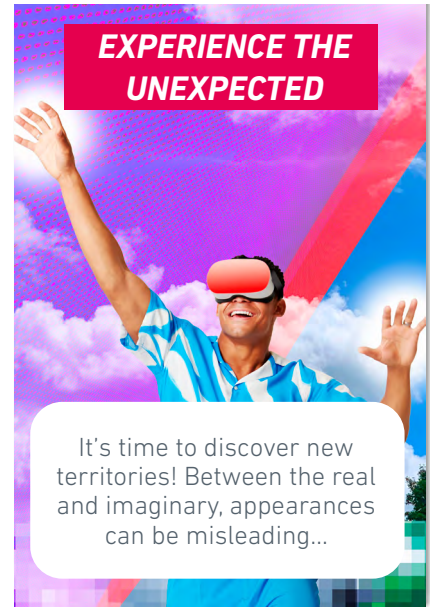

It is no longer a question of trying to hide imperfections; but letting them be a pathway to individuality. A desire for self-acceptance and self-expression.

PLAYGROUND

What if everyday life became a playground (again)? Gattefossé encourages more playful cosmetic application with new formulas.

EXPERIENCE THE UNEXPECTED

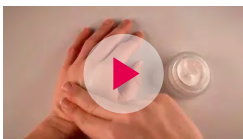

It's time to discover new territories! Between the real and imaginary, appearances can be misleading...

Focus on 3 formulas

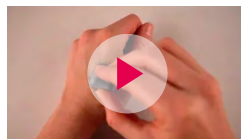

Primer-to-Powder

A makeup base with a creamy texture transforming into a powdery touch with a silky after-feel

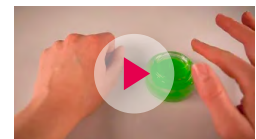

Glittering Gummies

A highlighter with a gummy-like texture in a travel-friendly format depositing shimmery pearls

Alien Slime

An optical illusion cream-gel that may surprise with its stringy, slime-like texture but captivates with its comfortable and non-sticky after-feel; perfect for a soothing massage

More than ever, Gattefossé stands by the cosmetics industry to stimulate creativity and explore new horizons!
